- ➔ Now your adventure will begin, there are lots of mysteries to discover...

Gameplay:

:

Move upwards; menu navigation

:

Move downwards; menu navigation

:

Move left; menu navigation

:

Move right; menu navigation

:

Open/close menu; abort action

:

Confirm; interact

The most important thing is to interact with your environment and talk to all characters, to gain new information and discover secrets. READ THE CONVERSATIONS CAREFULLY AND SAVE OFTEN!
